Dear Parents/Carers,

Thank you for your ongoing support with reading.

It has been a delight to read through some of the comments you are continuing to add to your children's reading records via Seesaw.

With regards to access to books, I am aware some of you have been successful at logging onto Oxford Owl whilst for others this has not been possible. Oxford Owl themselves have acknowledged there is an issue with logging on due to high numbers, so please do persevere.

At the weekend Oak Academy launched a Virtual School Library with a free reading book to share online and activities from the National Literacy Trust. This week you get to meet the author Jacqueline Wilson and share the book Tracy Beaker, which is recommended for ages 9-11.

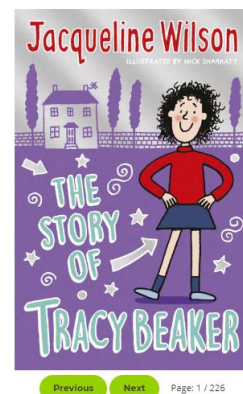

We see this as a great opportunity to expose children to a range of authors and text types.

Please follow this link to find out more.

#### Read *The Story of Tracy Beaker*

Tracy is 10 years old. She lives in a children's home but would like a real home one day, with a real family. Read her story for FREE below and share her hopes for the future in a very funny tale, all told in Tracy's own words.

Thank you again for your support in promoting a 'love' for reading.

Best wishes  
Mrs Lewis
