Learning Opportunities: Optional	
Topic: Science <i>To observe changes across the seasons; observe and describe weather associated with the seasons and how day length varies.</i> At this time of year, the seasons are changing. The weather can be unsettled and the days are getting shorter. Over one week (or longer if you'd like!) record what the weather has been like on that day and make a note of what time it gets dark in the evening. <i>You can use the attached 'Seasonal Changes Diary' to record your observations.</i> What do you notice about the time it gets darker over the course of the week? What do you notice about the weather during that week? How does weather compare to what it was like in the summer? Due by end of week 7	Values: See the separate sheet for values home learning linked to Generosity . Due by end of week 7
