Life in all its fullness

learning together, inspiring each other, achieving our best

Marshfield CE VC Primary School

Dear Marshfield families,

What a joyful end to the year we have shared together; a year that has been full of colour, courage and countless reasons to be proud. Our children have shone in every corner of school life: from the exuberant performances in Eurovision and the thoughtful teamwork of the Big Quiz of the Year, to Sports Week which culminated in a fun-filled Family Sports Day where the whole community cheered and celebrated one another. Watching our youngest find their voices in their first Nativity and our oldest deliver their final key-stage 2 production has been a genuine pleasure. Each child growing in confidence and character, living our vision of life in all its fullness.

Every year group gave us moments to remember, and who could forget the epic singing in Grossbusters? The stage, the props, the songs and the smiles made clear how our curriculum and extra-curricular life work together to develop talent and joy. Alongside these artistic highlights we have celebrated strong academic progress and impressive personal development; a testament to the children's hard work and the excellent teaching they receive.

A heartfelt thank you to our families for your continued support – your partnership makes a real difference. And to the teaching team and every member of our support staff: thank you. Without every single person's commitment, passion, love and care, Marshfield would not be the success it is. Special congratulations to the whole staff and governing body on a very successful SIAMS inspection this year. A wonderful affirmation of the Christian vision and values that guide our work.

We send our warmest wishes and very best of luck to our Year 6 cohort as they take the next exciting step and to our children moving to new schools. We are proud of all you have achieved here and know you will carry Marshfield's values with you.

Wishing every family a restful, joy-filled summer. We look forward to welcoming you all back refreshed for another fantastic year in September.

Mrs Bolt, Arlo and the Marshfield Team

Term Dates and INSETs

Term 1

Tuesday 1st September – INSET

Wednesday 2nd September – Thursday 22nd October

Friday 23rd October – INSET

Term 2

Monday 2nd November – Thursday 17th December

Friday 18th December – INSET

Term 3

Monday 4th January – Friday 12th February

Friday 29th January – INSET

Term 4

Monday 22nd February – Thursday 25th March

Term 5

Sat 12th Sept - MarshFest

Fri 2nd Oct - Harvest service at St Mary's Church

Sun 11th Oct – Marshfield Mudlark

Tues 20th & Thurs 22nd Oct – Parents' Evenings

A Huge Thank you to our wonderful PTA

On behalf of the whole Marshfield school family, thank you. Your generosity, energy and commitment over the past two years have made a profound difference to our children's daily life and learning.

Because of your fundraising and practical support, we have: upgraded the agility equipment (including a new slide and fort!), installed a new sound system with microphones, and bought new laptops and iPads.

Those items are invaluable, but what makes your work truly special are the events you support and run. Book at Bedtime (with its hot chocolates), the Mudlark, MarshFest, discos and so many more moments that bring joy, memories and community to our children and families. These occasions are part of what makes Marshfield a warm, creative and nurturing place to be.

A very particular thank you to Jess Jefferys, who is stepping down this year after an incredible nine years of service. Jess has been a cornerstone of the committee: a constant presence at events, a tireless organiser behind the scenes, and a warm, practical support to staff and families alike. We are hugely grateful for everything she has done for our school.

Thank you Steve Jefferys – Chair of Governors

On behalf of all pupils, staff and families at Marshfield Primary School, please accept our heartfelt thanks. For ten years you have been part of the Marshfield family, for eight years you have given your time as a governor, and for three years you have led our governing body with humility and strength.

You have volunteered, quietly and consistently, to support our children, staff and families. You did not join to serve any single interest; you joined to make our school the very best it can be. You have led with passion, conviction and care, and with a determination that has ensured high standards, thoughtful decisions and a clear focus on what is best for every child.

Under your stewardship governors have worked hard to live out our Christian vision of "life in all its fullness." Your commitment has helped us protect the things that matter most at Marshfield: strong teaching, a welcoming school family, and rich opportunities for every child to flourish.

Thank you for your service, your wisdom and the gift of your time. We are deeply grateful.
